### **DIVISION I - DESIGN**

## Mary, Mary, Quite Contrary

#### **DESIGN RULES**

#### **Exhibiting in the Design Division**

- 1. Some plant material must be used in every exhibit. This includes fresh and/or dried plant material.
- 2. Exhibitor may enter multiple Classes within Design Division, but only one exhibit per Class.
- 3. The exhibit entered into competition must be the work of only one (1) exhibitor and that exhibitor's name must appear on the entry card.
- 4. If designer is unable to fulfill the assignment, it is the designer's responsibility to provide a substitute.
- 5. If the designer is unavailable to transport and/or set up a completed design, a substitute person may enter the exhibit for the designer. The designer may still receive exhibiting credit if needed. This is permitted only for completed designs.
- 6. A single flower is not a design. Container-grown plants are fresh plant material and are permitted in the Design Division where appropriate, but are **never** considered floral designs.
- 7. Landscapes, scenes or anything representing an actual item of clothing, person, animal etc. are not considered acceptable in the Design Division.
- 8. Religious symbols used in a design must be displayed in a respectful manner.
- 9. Advance registration with the Design Entries Chairman is required by August 26, 2022.
- 10. Plant material and non-plant material permitted and not permitted in the Design Division are printed in the HANDBOOK FOR FLOWER SHOWS, CHAPTER 7, pg. 80 81.

## DESIGN RULES CONTINUED

- 11. All plant material and design techniques used in the design must be identified on a card provided by the exhibitor and included with the entry tag.
- 12. The exhibitor is required to conform to the stated description and limitations of the design type if named in the class.
- 13. Rules for Design Types, Advanced Design Types, Table Designs and Table Appointments are printed in the *HANDBOOK FOR FLOWER SHOWS, CHAPTER 7.*
- 14. Entry cards for the Design Division are available from the Design Classification Chairman. Pre-registration is required.
- 15. Each class will consist of four (4) exhibits.
- 16. Plant material need not have been grown by exhibitor.
- 17. Fresh plant material may not ever be treated in any manner. Dried plant material may be treated.
- 18. Designer is on her/his honor that the design being entered has not been previously entered or previously judged in an NGC Flower Show.
- 19. The Scale of Points for Design is listed below:

### **DIVISION II - HORTICULTURE**

### We Have A Little Garden

### HORTICULTURE RULES

- 1. All exhibits must be FRESH.
- 2. All exhibits must have been grown by the exhibitor.
- Plant material must be in its natural state and may not be altered by application (treatment) of oil, commercial "shine" products, etc. that change the natural appearance. No wiring of specimens is permitted.
- 4. Only foliage and/or flowers naturally grown and still attached to the specimen are permitted in the Flower Show. Unattached foliage is never included with a cut bloom specimen.
- 5. All plant material must have been in the possession of the exhibitor the appropriate number of days listed in the chart below: (HB pg. 55)

Types of Plant Material	Length of Possession
Combination Plantings except troughs	6 weeks
Annuals Vegetables and Fruits	90 days (no minimum for early maturing seeds and/or transplants)

- 6. The rules for a single species cut or container-grown specimen are listed in the *HANDBOOK FOR FLOWER SHOWS* or its supplement *Horticulture Exhibiting and Judging*.
- 7. In order to receive an NGC Top Exhibitor Award, the exhibitor must identify an entry by its binomial name or currently acceptable scientific designation (Consult *HANDBOOK FOR FLOWER SHOWS*, "Exhibiting in the Horticulture Division, Chapter 6".)
- 8. Entry tags for the Horticulture Division are available from the Flower Show Chairman, Montgomery Federation members, and the Fair Office. A printable working copy of the tag is available online at the Alabama National Fair website: <a href="www.alnationalfair.org">www.alnationalfair.org</a>. Online tag can be printed, completed, brought with entry and transferred to the official tag when entry is submitted. Pre-registration is not required.

## HORTICULTURE RULES CONTINUED

- 9. Entry tags are to be filled out in advance, if possible. Must be completed in pencil.
- 10. Cut specimens should not have foliage below the water line, except for *Gladiolus*.
- 11. If a plant is considered a flowering plant, it should be exhibited as a flowering specimen. Foliage plants may flower, but should be exhibited as foliage plants if they are grown for their leaves.
- 12. Specimens with a class designation in the schedule may not be entered in the "Any other worthy named specimen" class.
- 13. The Horticulture Classification Chairman and/or General Show Chairman are free to subdivide classes by color, form, size, cultivar, variety or other distinguishing characteristics.
- 14. The Scales of Points for Horticulture are listed in the schedule. (pg. 16)
- 15. Glass bottles will be furnished by the Flower Show Committee for all cut specimens.
- 16. Celery, furnished by exhibitor, may be used to improve pose of specimen.
- 17. Acceptance of Horticulture Exhibits:
