Dear Candidate:

The Alabama National Fair hopes that you, your friends, and your family will enjoy the 65th Annual Fair, September 28th - October 8th. In order to avoid any confusion so close to the elections, we are writing to advise all candidates of the Fair's long-standing policies regarding political activities on the fairgrounds and in keeping with the requirements of the Fair's status as an Internal Revenue Code 501-c-(3) tax exempt organization:

Candidates or their supporters may not:

1. Conduct direct political activities within the fairgrounds.
2. Engage patrons of the Fair for purposes of solicitation.
3. Distribute or otherwise disseminate campaign literature or other election related materials while on the fairgrounds. Candidates and supporters may wear campaign t-shirts, buttons, or other paraphernalia while attending the Fair, but no other campaign literature or items will be permitted.

The management of Garrett Coliseum also prohibits:

1. Distribution of campaign materials in the parking lots and outside entrances and exits to the Coliseum and Fairgrounds.
2. The placement of campaign signage on Coliseum or Fairground property.

Please pass this information along to all candidates of your affiliated party and please contact the Fair office or the Coliseum office should you have any questions regarding these policies. We appreciate your cooperation and hope you will enjoy the Fair.

Sincerely,

Shawn Cole, President
Alabama National Fair
